Subject: Assertion of Entitlement of Small Entity Status in Regards to U. S. Patent Application No. 09/753,370

I hereby assert entitlement of small entity status in regards to U. S. Patent Application No. 09/753,370. I hereby assert that I am a small entity. NASA has assigned rights of invention application No. 09/753,370 to me. In regards to this patent, my status is that of an individual. I am a co-inventor of subject patent application.
